NATIONALE VICTORIES:

1st National Marseille	1983
1st National Soustons	1992
1st National Perpignan	1992
1st National Marseille	1997
1st National Bordeaux	2004
1st National Marseille	2005
1st National Agen	2018

On 29th of July 2019 Harry Wijnands died at the age of 92. With that, The Netherlands (as well as the international long distance racing community) lost one of its greatest ever long distance champions. He raced together with his son Roger, and this father-son combination won as many as 7 national victories, as well as 2 titles of national Marathon champion in The Netherlands. They also won countless

national and international championship titles over the years. The total sale on 30th of November 2020 will mark the end for this impressive pigeon family, that has been racing at the highest level for more than 40 years. Their pigeon family today consists in large part of descendants of the renowned Blauwe Vannoppen. He is the sire of many top class racing birds and brother of a 1st Int. Barcelona.
